STUART C. WOODSIDE MEMORIAL TROPHY:

This trophy is given in honor of Stuart C. Woodside, the dairyman who was chairman of the initial Heifer Replacement Program at the Clark County Fair in 1977. Mr. Woodside worked long and hard to make this a program where 4-H and FFA members could acquire heifers and sell them back to dairy farmers as replacement animals. The first selection of heifers was at the 1977 Fair and the first sale was on August 10, 1979. Prior to this time, 4-H and FFA members who raised quality heifers did not have a place to sell them. This has allowed members from small farms the opportunity to have the joy and experience of raising an animal. This award is based on the job the member has done within the following four categories:

- Breeding the heifer to freshen at the right time.
- Having the heifer in the appropriate condition for entrance into the milking string.
- Presentation of the heifer in the ring.
- Knowledge of the breeding and pedigree of the heifer.

THE JOHN SOUDERS INSPIRATION AWARD:

John Souders is remembered for his willingness to serve others, commitment to excellence and dedication to dairy 4-H programs. This award is given to individuals who reflect the spirit of John and the principles by which he lived. A rotating trophy will be awarded to a 4-H dairy member based on recommendations from 4-H leaders. This is open to any member exhibiting any breed.

Annual 4-H Pee Wee Dairy Show takes place on Sunday, August 13 at 3 pm followed by the 4-H Dairy Awards at 4 pm in the Dairy Show ring.

Milking Parlor:

For exhibitors requiring the use of the Milking Parlor the following requirements must be met before entering the Parlor.

1. A certificate from your Co-Op certifying that your farm is rbST free.
2. If you are unable to obtain a certificate, you must contact the Parlor Manger.

There is a form that is required to be completed and notarized certifying that you do not use rbST on your animals.

These requirements are being requested on behalf of the Co-Op taking the milk as they are an rbST free plant. The certificates or notarized forms must be submitted to the Milking Parlor Manager 2 days prior to the fair opening. Failure to have these submitted to the Milking Parlor Manager can result in the milk not being picked up for processing. The Milking Parlor Manger is Lori Johnson 360-518-2607.
