1. The purpose of a public presentation is to help young people develop poise and confidence, gain knowledge and skill, and perform a service by teaching others. Juniors are welcome; members NEED NOT have taken part in 4-H Program Day Presentations or County Public Presentation Day days to take part in this activity.
2. Premiums will be based on presentation at the Clark County Fair.
3. Contestants report with all necessary materials at time scheduled.
4. Cloverbuds members will receive participation ribbons. The Cloverbud department exhibits and activities are not judged. This philosophy is consistent with current research that competition is not meaningful and may detract from learning experiences for children in this age group. Members will be given encouraging comments from evaluators.
