Clark County Fair Exhibitor Guide <http://www.clarkcofair.com/exhibitors.html#guides>

Each FFA/4-H member showing in this department is responsible for reading and complying with the **General Rules** for the Clark County Fair, the FFA/4-H rules (located at the beginning of Exhibitors Handbook) and any regulations printed at the beginning of this section, and the special rules and regulations of this department. (The Clark County Fair General Rules and the 4-H General Rules documents are available on the Clark County Fair's website.)

All 4-H Goats are to be in place by 8 am Friday, August 3 and removed beginning at 8 pm Tuesday, August 7 (except for those animals entered in the Open Class Show). Market Goats are to be checked in by 9 am Wednesday, August 8 and will stay through Sunday, August 12.

RULES & REGULATIONS:

Breaking any of the following rules may result in your dismissal by the superintendent from the show and/or forfeiture of all awards.

1. 4-H leaders and FFA exhibitors must call the superintendent by June 30 with exhibitor and animal numbers. Pen space will be **EXTREMELY** limited and assigned on a formula basis by the superintendent. Failure to meet deadlines may result in not being able to show in this project.
2. Each exhibitor will be limited to a total of 10 animals, **OR LESS**, as space dictates.
3. Fitting and showing is not an option. Participation in the Junior Livestock Auction with a Market Animal Goat requires showmanship with an on-going main project animal. An exhibitor must compete in fitting and showing division to be eligible for any type division unless the animal is under veterinary care and unable to compete.
4. All animals must be dehorned, disbudded, or naturally polled.
5. There will be no intact males permitted in the barn. (Except for kids 0-3 months). If any small intact male exhibits any "bucky" behavior, they will be required to leave.
6. Animals must be health checked before entering goat barn.
7. American Dairy Goat Association rules shall govern for the Dairy Goat Show. This will be a combined Junior/Senior Doe show, **NOT** a separately sanctioned show. Pygmy goats will not be shown during the ADGA Dairy Goat Show.
8. No borrowing will be allowed for group divisions.
9. Any animal shown in a group division must have been shown in individual divisions.
10. There will be no limit (except as provided in Rule 2) on entries in individual divisions. There will be a limit of two entries per exhibitor for group division, except Dairy Herd or Best Three, which are limited to one entry per exhibitor.

11. There will be no clipping in the aisles or doorways. Milking will be done in designated areas or tack areas.
12. Members should have completed or be currently enrolled in a 4-H goat project. Each exhibitor is expected to have access to one or more animals. Lend-lease agreement is permissible if the member takes care of the animal. This means a member may borrow, rent, or lease an animal for a project. The animal must be acquired and cared for by the exhibitor for a minimum of 60 days before the date of the show. If a member's project animal dies or is incapacitated, it is permissible to use another animal in a show if written approval is given by two (2) club leaders or parents not related to the member and further approved by the superintendent. A youth may be a 4-H goat project member without having access to an animal for the purpose of learning about the project.
13. No loud radios/TV/stereos allowed in exhibit area.
14. All animals must be fed and watered on a regular basis and as needed on hot days. Water buckets shall be kept full and clean. Hay fed in appropriate feeders and kept filled for display.
15. No animals will be left unattended at wash rack/show ring.
16. Exhibitors must walk and control all animals at all times when outside of pens.
17. Adults, leaders and other non 4-H members may help in early morning clean-up of the pen area prior to 8 am.
18. All animals in lactation must be milked a minimum of 2X per day on a regular schedule. The exceptions being a nursing doe or show day when animals may be bagged for show by varying the milking time.
19. All exhibitors must participate in Herdsmanship. Failure to do so will mean a loss of premiums. Herdsmen must be neatly dressed and have an identifying badge, vest shirt, hat, etc. appropriate to their 4-H club when they are on duty.
20. Exhibitor's attire should be neat and clean. No tank/halter/low cut tops, no cropped shorts, and no bare feet. Show ring requirements - Dairy -White shirt/blouse, white pants/jeans/long skirt. Pygmy and Boer - White shirt/blouse, black pants/jeans/long skirt. All breeds - Boots or sturdy shoes, no open toes or sandals.
21. 4-H goat exhibitors may assist each other in fitting and clipping animals for all type classes. Animals that will be used for a fitting and showing contest **must** be clipped or fitted by the exhibitor. No adult assistance is allowed unless a safety issue is warranted. In classes where exhibitors have more than one entry, other 4-H exhibitors may assist them in the show ring.
22. No one is allowed to coach contestants while they are in the show ring. The show ring is off limits to everyone except contestants and working show personnel unless a safety factor is warranted. The judge should not be approached by anyone until judging is completed and judges should not interact with spectators of any show or exhibit excepting 4-H show assistants during the active progression of a show or exhibit. The superintendent or assistant superintendent will reserve the right to dismiss any exhibitor from any 4-H class or show for any misconduct or infraction of the Clark County Fair and 4-H General Rules.
