PURPOSE AND SCOPE

The purpose of this Commercial Vendors' Manual is to provide clear understanding of the rules, policies and procedures in regards to vendor operations during the annual Clark County Fair.

Every Vendor is required to know and abide by these rules and regulations. Every Vendor is responsible for assuring that all Vendor members know and abide by these rules and regulations. Additional copies of this manual are available upon request from the Administration Office.

FSMG and Fair Management reserve the right to amend, add to and interpret the following rules and regulations and to determine finally all questions and differences with respect to them arising out of, connected with or incident to the Fair.

The Management agreement with Clark County requires that all contracts for use of the Fairgrounds be written between the Vendor and FSMG. Clark County Fair Association sets policy for and produces the Fair.

CONDUCT

ASSIGNED SPACE: Vendor shall operate strictly within the limits of their assigned space, not in the aisles or roadways. Vendor shall ensure that all officers, agents, employees and concession-related invitees are clean, orderly and polite in their conduct and speech and that the assigned space is kept clean with no accumulation of trash, paper or other combustible material.

TERMINATION: Vendor to maintain exemplary business practices at all times. For consumer protection, FSMG reserves the right to terminate this Agreement at any time for reasons of perceived or realized impropriety or in FSMG's sole opinion dubious business practices by Vendor.

FSMG retains the right to enforce any or all provisions of this Agreement, including possible termination of the Agreement if Vendor breaches the terms of the Agreement.

LICENSE AGREEMENTS (CONTRACTS)

CONTRACTS: Every Vendor must have a written and signed contract with Fairgrounds Site Management Group authorizing the Vendor's activities. FSMG reserves the right to cancel all contracts of any kind should an Act of Providence such as war, riot, fire, flood, storm or pestilence prevent the holding of the Fair in whole or part. Any and all county, state or federal licenses, inspections or permits required for the installation or operation of Vendor booth shall be obtained by Vendor, at its expense, prior to noon on Thursday, August 4, 2016.

ANNUAL PARTICIPATION: Contracts are issued on an annual basis and do not indicate participation in any future Fairs or events sponsored either in whole or part by the FSMG or CCFA. Contracts, spaces and related privileges are not transferable.

CANCELLATION OF CONTRACT: If this contract is canceled by Vendor for any reason, rental paid to FSMG by Vendor shall be forfeited as follows:

1. **If written cancellation is received by FSMG prior to June 1, 2016**, FSMG shall retain twenty-five percent (25%) of the total revenue due to FSMG.
2. **If written cancellation is received by FSMG on or after June 1, 2016**, the entire rental due (including any unpaid rent) shall be retained by FSMG.
3. Failure to comply with the terms of this Vendor Contract shall be deemed to be a cancellation by the Vendor. This includes but is not limited to; no further response, mailings returned as undeliverable, no forwarding address and inability or failure to make or complete payments.

The forfeited funds constitute liquidated damages for the direct and indirect costs incurred by FSMG in organizing, setting up and providing a booth for Vendor and expenses caused by Vendor's withdrawal, including re-letting the space. Vendor agrees FSMG's actual loss and damages for Vendor's default may be difficult to ascertain, that FSMG's collection and retention of this sum represents a reasonable estimation of its actual loss and that this provision does not constitute a penalty.

DELAY OR CANCELLATION OF FAIR: Neither FSMG nor CCFA shall be liable for any damage or expense incurred by Vendor in the event the Fair is delayed, interrupted or canceled. If the Fair is canceled for any reason, FSMG may retain as much of the rental paid by Vendor as is necessary to cover expenses incurred by FSMG.

INDEMNIFICATION: Vendor shall indemnify and hold harmless Clark County, FSMG and CCFA, their directors, officers, volunteers, employees, agents and assignors from and against any and all claims, damages, losses and expenses including but not limited to personal injury, property damage and attorney fees arising out of or resulting from the activities of Vendor, or its employees, agents and guests. Refer to Section #4 Liability/Insurance.

SECURITY FOR RENTAL: Vendor hereby grants to FSMG a security interest in all of Vendor's merchandise and exhibit materials, including, but not limited to, raw materials, work in process, materials to be used or consumed in Vendor's exhibit, inventory, equipment and the products and proceeds thereof, to secure payment and performance of any and all of Vendor's obligations specified herein. In addition to all other remedies, FSMG shall have the right to take possession of said property without notice or demand and without legal proceedings in the event of Vendor's default under this Contract. FSMG shall not be responsible for the deterioration or spoilage of any such property. FSMG shall have the right to dispose of the security in a commercially-reasonable manner. Any sale proceeds shall be retained by FSMG and applied to costs of repossession and/or foreclosure including attorney fees, storing and selling the property, and the unpaid rental due from Vendor for the entire Fair. Any excess proceeds shall be disbursed to Vendor.

ATTORNEY FEES: If any action is brought to enforce the terms of this Contract, the prevailing party shall be entitled to attorney fees from the losing party in an amount as may be adjudged reasonable by the court, including an appeal.

VENUE: Any action brought to enforce this Contract shall be filed in Clark County, Washington.

GOVERNING LAW: This Contract shall be governed by and construed in accordance with Washington State Law.

ASSIGNMENT: FSMG may sell, assign or transfer any or all of its rights, benefits, privileges, obligations or duties under this Contract without prior notification to Vendor. Vendor may not sell or sublet their assigned space under the terms of this agreement with FSMG.

DAMAGES: Vendor agrees to return said premises and the area to which it has access in the same condition as the premises were before the use of the same was permitted. Ordinary wear and tear, damage by the elements, acts of nature or casualties beyond the control of the Vendor is an exception to this rule. The Vendor agrees to pay the costs of repair and replacement for any and all damages of whatever origin or nature, which may have occurred during the term of this agreement, by the Vendor for restoring the premises to a condition equal to that which existed at the time the participant took possession.

UNAUTHORIZED PRODUCTS: If a Vendor substitutes or adds any food items, prizes, giveaways, products or services that have not been approved by FSMG and/or deletes any such items approved by FSMG, it is a material breach of the contract and FSMG may terminate the contract immediately upon notice to Vendor of the violation. Items must be removed immediately. The Vendor may not be granted future contracts by FSMG.

****No selling or giving away of water is allowed****

The demonstration and/or sale of the following products during the Fair are strictly prohibited: firearms, weapons (including pocket or hunting knives), guns (either toy or real), blow guns, blow-gun darts, explosives, alcoholic beverages, drug paraphernalia, the sale of any items that promote or glorify drug use, candy or toy cigarettes, combustibles, laser pointers, spud (potato) guns, adhesive-backed stickers, stink bombs and any other items which the CCFA deems to be dangerous, obscene or highly offensive.

Vendor agrees FSMG's actual loss and damage for Vendor's default may be difficult to ascertain, that FSMG's collection and retention of this sum represents a reasonable estimation of its actual loss and that this provision does not constitute a penalty.

CHILD SAFETY: Because of the potentially hazardous conditions during set up and tear down, CCFA recommends that Vendors not allow children under the age of 12 to accompany them during these times.

EXPENSES AND SET UP: Vendors are responsible for all their own expenses incurred in connection with decoration, equipment or occupancy of the assigned space, with the exception of electrical power provided with the booth or as stated in the contract. VEHICLES, PARKING & TRAFFIC PROCEDURES

GENERAL PARKING: Parking for Vendors and their employees is available in the Clark County Event Center at the Fairgrounds parking areas, there is no designated vendor lot. Vendors and/or employees may enter the designated "Service Entrance" areas during the restocking hours only to restock their exhibits. Unauthorized vehicles parking in this area after restocking hours are over (9:30 am (7:30 am opening day)) and/or vehicles not displaying the proper parking pass will be towed.

SERVICE/STOCK VEHICLES: Vendors with stock/service vehicles will be allowed through designated service entrance starting at 7 am through 9:30 am each day (except opening day until 7:30 am) **ALL VEHICLES MUST BE OFF THE FAIRGROUNDS 30 MINUTES PRIOR TO THE OPENING OF THE FAIR. Please note the Exhibition Hall and South Hall 2 buildings will not be open until 9 am during fair.** Vendors with stock/service vehicles will also be allowed through the designated service entrance each night once Fair management deems it safe for vehicular traffic to be on the grounds (approximately one (1) hour after the close of Fair). Parking passes must be displayed on dashboard with pass number visible at all times so the vehicle can be identified and owner located. Do not park in front of doorways or block vehicle traffic and fire lanes. Violators will be towed at their own expense, held liable for any obstruction and risk loss of future Fair participation.

ON GROUNDS TRAFFIC: To keep move-in and set-up as safe as possible, the following procedures will be adhered to at all times throughout the annual Fair:

1. Vehicles may enter the Fairgrounds during the initial set up, prior to 7:30 am during the first day of the Fair and prior to 9:30 am for the remaining days of the Fair. A one-way traffic system has been established to help keep the flow of traffic smooth and timely. All vehicles will be asked to follow this pattern. Designated personnel will be on hand to direct the flow of traffic and insure one-way traffic system is adhered to.
2. Limit the vehicle time on the grounds so that other exhibitors and Vendors working on setting up will not be inconvenienced.
3. The use of hand trucks during the open hours of the Fair is an approved method to re-supply your booth.
4. CCFA may designate a Vendor to use an alternative gate if CCFA deems necessary.
5. Only those suppliers that are registered in the CCFA office may use tow vehicles, ATV's, service carts, golf carts, motorized carriers or similar vehicles on the Fairgrounds during the run of the Fair.
6. During set up and tear down times, all golf carts/ATV's will be required to adhere to the one-way traffic patterns indicated on the set up map and tear down map.
7. Violations of these rules will result in one and/or all of the following:
 - a. Revocation of the permit
 - b. Potential fine (amount to be determined by CCFA)
 - c. Removal of booth and cancellation of contract
8. **ANY VEHICLE BLOCKING FIRE LANES, DOORS OR OTHER VEHICLES WILL BE TOWED AT THE OWNERS EXPENSE.**
9. After unloading, all vehicles must be moved to the parking lots.

END OF FAIR MOVE OUT: During the final evening of the Fair, vehicles will not be allowed inside the entrance gates to the Fairgrounds until it has been determined safe to do so by staff. **The Exhibition Hall loading dock can be**

accessed at 10 pm through purple gate. All outdoor commercial booths and booths located in South Hall 2 & 3 will not be able to access the grounds until 10:45 pm-11:00 pm to allow for pedestrian traffic to clear. A one-way traffic pattern will be enforced. This is the most confusing time of the Fair and presents the most danger to the public. You may wait until the following day to clean up your booth area. Security will be on grounds Monday following Fair from 8 am-4 pm, however, Clark County, FSMG and CCFA will NOT be held liable for any valuables left in or around your booth

TOW VEHICLES, ATV's, SERVICE CARTS, GOLF CARTS AND CARRIER REQUIREMENTS: A permit is required for use of tow vehicles, ATV's, service carts, golf carts, motorized carriers or similar vehicles on the Fairgrounds. Proof of liability insurance coverage, in a form acceptable to the Fairgrounds Site Management Group Insurance carrier, with limits of liability not less than \$1,000,000.00 combined limit/bodily injury and property damage. 3. Proper identification must be placed on the vehicle listing the company or organization operating the vehicle including all authorized operators.
