Entries will be held for 1 week after the end of the Fair.

GENERAL CONDITIONS OF ENTRY

Please also see the **General Rules**.

1. This exhibition is open to everyone; however, an entry may be rejected when the sponsoring organization or its agent, in its reasonable discretion, deems it inappropriate for display.
2. Limited to a total of four (4) photographs per entrant.
3. Photographs have size restrictions. See specific class rules.
4. Photographs must be mounted (using either a dry mount press or spray photo mount adhesive) on backing boards or foam core boards. Boards must be same dimensions as the photograph. Each entry must be individually mounted.

6. Entries will not be accepted with over-mats, window mattes, frames, or plastic coverings. Digital borders are also not allowed. Please make sure the image spans from edge to edge.

7. Entrants must own the copyright of all images used in any submitted print. The exhibition accepts no liability for any breach of copyright by an entrant. Submission of an entry signifies acceptance of and compliance with all conditions of entry by an entrant. Images produced from materials copyrighted by persons other than the make are unacceptable.
8. Original image statement - "Entries must originate as photographs (image-captures of object via light sensitivity) made by the entrant on photographic emulsion or acquired digitally. All images must be original and may not incorporate photographic elements produced by anyone else. By virtue of submitting an entry, the entrant certifies the work as his/her own and permits the sponsors to reproduce all or part of the entered material free of charge for publication and/or display in media related to the exhibition. The exhibition assumes no liability for any misuse of copyright by the entrant. Any modification of the original image must be made by the exhibitor, subject of department restrictions."
9. No writing on the front of the photograph. The following information must be listed on the back in the upper right-hand corner of the backing board and will be done at the time of entry. Tags for this information will be available at the time of exhibit entry:
 - A. Division & Class
 - B. Entrant's Name
 - C. Entry Tag # (assigned at time of entry)

11. Judging order: An entrant's images will be randomly presented for judging.
12. Entries in the Professional Division will have a \$5.00 entry fee per photograph. All entries in that class without appropriate fees will not be judged. Payment may be in cash or checks payable to the Fairgrounds Site Management Group (FSMG). Entry fees are nonrefundable.
13. Professionals are defined as persons who give lessons, have sold their photographic work(s) or who engage in a photography business for profit. These persons must enter the professional division and if found in the Amateur division, can be disqualified.
14. All photos will be judged on composition, print quality and visual impact.
15. Prints previously accepted by the Clark County Fair are ineligible.
16. No nudes or graphic material will be allowed.
17. All possible care will be taken to protect prints; however, the Fair will not be responsible for loss or damage of any kind.
