## **HERDSMANSHIP**

Proper attention to the overall care and upkeep of animals and animal areas is required for all participants in the Clark County Fair. All FFA, 4-H and Grange Youth members must participate in herdsmanship. A primary purpose of Herdsmanship is to present animal exhibits to the public in a neat and attractive manner. It offers an opportunity to display the effort that goes into quality animal husbandry and to maintain a clean and safe area for the public to interact with the exhibitors and exhibits. It is also an opportunity for teamwork among the exhibitors as they take pride in their display area. Regardless of the organization of the youth member the following are the overall objectives of the Herdsmanship Division and some of the rules and responsibilities common to all organizations.

- Herdsmanship duties are the responsibility of the exhibitor rather than leaders, parents or fair employees during fair hours.
- Exhibitors will be required to sign up for herdsmanship time slots.
- Herdsmanship shall be from 9am to 8pm daily and judging will occur daily during that timeframe.
- If an exhibitor is gone for any reason, it is their responsibility to find another exhibitor to care for their animal(s) in their absence in accordance with the groups rules/ leadership approval.
- Animals are as clean as possible at all times with proper grooming, bedding and care apparent.
- Animals are to be fed at proper times and water available at all times.
- Animals are to be properly tied and penned. Beef animals must be double tied.
- Feed and water dishes are to be upright, and any excess spillage cleaned up at all times.
- Stalls/Pens/Cages are clean and neat. Bedding is clean and fresh. Feed/feed pans and buckets clean and in place. All manure cleaned out and deposited in the designated areas.
- Tack and feed area should be kept clean and neatly arranged.
- Tools and equipment shall be stored safely and out of the way of spectators.
- Stall/pen cards displayed neatly and complete.
- Signs are appropriate and neatly displayed.
- Exhibitor's share of the alley way should be kept clean at all times and free of equipment.
- Exhibitor should be with the exhibit to give necessary care to the animals and to answer questions asked by the public.
- Members should not lounge with the animals or sit on pens or rails, during fair hours.
- Radios should not be playing loud enough for the public to hear, during fair hours.
- Tack areas and walks in front of stock shall be kept orderly.
- Clear and clean walkways must be maintained.

- Exhibit should be made as educational as possible. Educational posters and exhibits about projects are encouraged as a means of informing the public about your project and youth organization.

### **STUART C. WOODSIDE MEMORIAL TROPHY:**

This trophy is given in honor of Stuart C. Woodside, the dairyman who was chairman of the initial Heifer Replacement Program at the Clark County Fair in 1977. Mr. Woodside worked long and hard to make this a program where 4-H, FFA, and Grange Youth members could acquire heifers and sell them back to dairy farmers as replacement animals. The first selection of heifers was at the 1977 Fair and the first sale was on August 10, 1979. Prior to this time, 4-H and FFA members who raised quality heifers did not have a place to sell them. This has allowed members from small farms the opportunity to have the joy and experience of raising an animal. This award is based on the job the member has done within the following four categories:

- Breeding the heifer to freshen at the right time.
- Having the heifer in the appropriate condition for entrance into the milking string.
- Presentation of the heifer in the ring.
- Knowledge of the breeding and pedigree of the heifer.

### **THE JOHN SOUDERS INSPIRATION AWARD:**

John Souders is remembered for his willingness to serve others, commitment to excellence and dedication to dairy 4-H programs. This award is given to individuals

who reflect the spirit of John and the principles by which he lived. A rotating trophy will be awarded to a 4-H dairy member based on recommendations from 4-H leaders. This is open to any member exhibiting any breed.

**Annual Pee Wee Dairy Show** takes place on Sunday, August 11 at 3 pm followed by the 4-H/GY Dairy Awards at 4 pm in the Dairy Show ring.

**Milking Parlor:**

For exhibitors requiring the use of the Milking Parlor the following requirements must be met before entering the Parlor.

1. A certificate from your Co-Op certifying that your farm is rbST free.
2. If you are unable to obtain a certificate, you must contact the Parlor Manager.

There is a form that is required to be completed and notarized certifying that you do not use rbST on your animals.

These requirements are being requested on behalf of the Co-Op taking the milk as they are an rbST free plant. The certificates or notarized forms must be submitted to the Milking Parlor Manager 2 days prior to the fair opening. Failure to have these submitted to the Milking Parlor Manager can result in the milk not being picked up for processing. The Milking Parlor Manger is Lori Johnson 360-518-2607.

Exhibitors not currently certified in YQCA will not be eligible to sell through the Junior Livestock Auction. All Animals sold at the Junior Livestock Auction shall have passed the withdrawal period for administration for medicines, whether under veterinary care or not. It is the responsibility of each market animal exhibitor to ensure compliance with this rule. This rule exists for public health reasons. Violators are subject to disqualification of all prizes, awards, and premiums with potential suspension from 4-H FFA, and Grange Youth activities for a period determined by the Clark County Fair 4-H FFA or Grange Youth Grievance committee and potential civil or criminal legal action. All blue-ribbon animals are eligible for the JLA; however, only two lots are eligible to go through the Junior Livestock Auction. You may enter three lots total. Each member participating in JLA must do two hours of poultry herdsmanship a day.

Poultry singles and pens have no pre weigh-in but are weighed just before being shown. All blue-ribbon singles and pens of chickens, ducks, geese, and turkeys are eligible for sale. Attendance at one of the two quality assurance meetings is mandatory for selling in the JLA.

Anyone enrolled in the Poultry/Pigeon project may take part in JLA for poultry. Individuals must complete the requirements for the project set forth by the Poultry/Pigeon superintendents. Individuals only doing pigeon showmanship will be required to do an extra showmanship with a Market species during the second half of Fair.
