DIVISION 567: WINE

Wine will be judged individually on their own merit. Bottle label and overall appearance of bottle is not judged. All wine entries must have the following information on the entry tag for each bottle:

1. Type of wine (Blackberry, Apricot, Concord, Cabernet Sauvignon, etc.).
2. Year wine was made.
3. Dry, sweet or dessert wine.

Judges will use this information as a guideline to determine what standards to judge the wine by.

All entries will be opened and sampled. Remaining wine will be disposed. (We suggest entering a small bottle (375 ML) because of this.)

Only one bottle per entry.

Maximum of six entries per person, each entry must be a different wine. Bader Beer & Wine Supply will donate one \$20 gift certificate to each of the three highest scoring wines.
