An educational display stimulates thought, teaches facts, or shows a process. It may result in action on the reader's part. The educational display can take the form of a poster, a tabletop display, a mobile or large display. Displays have less than 60 seconds to get their message across. Display may show any topic of an educational nature. The display may include sound, motion, etc.

PLEASE INCLUDE THE FOLLOWING ITEMS ON THE BACK OF YOUR POSTER:

- 4-H member's name
- 4-H project area (example dogs, dairy, rabbit)
- 4-H Level – Primary – Junior – Intermediate - Senior

IDEAS AND HELPFUL HINTS FOR YOUR POSTER:

- Check your spelling
- Have a title for your project
- Have a 1-2 inch border
- Be able to read text from 10 feet away (example ½" size letters)

This is not to be confused with the educational material and posters used in herdsmanship in the animal barns. Those are a group, club, or individual effort. An Educational Display is an individual effort.

Superintendents can pick up their posters at the 4-H Fair office in Exhibition Hall A (4-H Still Exhibit Area) August 2-11. Member Posters can be picked up in 4-H project areas after Clark County Fair. Posters will not be brought back to the 4-H Program office.

Exhibits are judged against a standard as defined on the scorecard C0679 (7/02). They are not judged in competition with one another.
