

Division 300: PHOTOGRAPHY

For entry into this class, the photographer must select the class for his/her entry. A print may be entered in only one class. Participants may enter all classes using separate prints. Participants may have more than one entry per class. Photo's must be taken after the last day of the previous year Fair. Photos must be a minimum of 5X7 to a maximum of 11X14 (excluding matte). Each entry must have a hanger firmly attached to a rigid substrate (such as firmly attached framing, foam board backing, matting, or robust card stock). Projects submitted without a hanging solution may lose points during judging.

Points: Blue 8, Red 6, White 4

Judging in the photography contest will be based on:

- Category - Appropriateness for the category entered
- Quality - photo technically well done
- Interest -storytelling ability
- Composition - simplicity, use of lines, balance
- Presentation - mounted neatly and securely
