

Clark County Fair Community Free Stage Entertainer Application

Dear Entertainer,

Thank you for your interest in performing at the Clark County Fair being held August 7-16, 2026.

We feature local and regional acts on our Community Stage and welcome applications from entertainers to perform during Fair. Those wishing to perform must go through an application and screening process. Participants are not paid for Community Stage performances.

For consideration, please complete and submit your Free Stage Entertainment Application by April 3, 2026. **Time slots fill quickly; early submission is recommended.** We will stop accepting applications (without notification) when all slots are filled. In addition, a recent live performance sample must be viewed. Please include either a website or YouTube link with your application. Promo materials provided will not be returned unless a self-addressed stamped envelope is sent with the materials. All entertainers will be notified if they have been selected or not. **Please ensure the content on the application is complete and legible.**

If you have previously performed at the Fair, you are required to submit a new application and link to a recent live performance. Time slots are not guaranteed for returning performers. All performers who are selected will receive a performance confirmation letter with a performance date and time, and arrival instructions.
