Passport to Fun

The Passport to Fun agricultural education program was recognized at the Washington Festivals & Events conference last year as the **Best Educational Program** at a Festival or Event in the State of Washington. It has been successful for many years due to the participation and passion of our superintendents and their respective teams.

What is the Passport to Fun?: The **Passport to Fun** is a scavenger type hunt that encourages the exploration of the Fair’s exhibits. Children are engaged in hands-on activities that challenge their imaginations & teach them about the various areas of the Fair.

When: Daily during the Clark County Fair

How The Program Works: Children take their passports and explore the Fair by completing an activity provided by participating departments – each activity completed earns them a stamp. Once they complete their passport (10 stamps), they return it to the American Red Cross Booth on the midway and enter for the chance to win one of three (3) larger prizes drawn after the Fair concludes. Each participant chooses a smaller prize that day and best of all, the participant keeps their fan!

To Participate: Assign someone in your department to be in charge of your department’s activity. Activity categories include: Hands On, Guessing Game, and Facts & Information.

Please fill out the information below and return to the Premium & Awards department by May 15 of the current Fair year.

Passport to Fun supplies available for pickup at the Premium & Awards office or will be delivered to your department early Friday morning before the Fair opens.
