

## **Division 308: PLANT SCIENCES**

Judging in the Plant Sciences contest will be based on established standards. Please be prepared to make arrangements to replace perishable items submitted in Classes 2-4 halfway through fair, so that the exhibits may always look their best.

### **Class 1: Container Garden**

A container garden including any living plant, i.e., flowers, herbs, and/or vegetables. For an herb container, you must have a minimum of four varieties in the container or garden. Containers over 4 square feet require pre-approval from Grange Youth Still Exhibit Superintendent to ensure space allocation and support for proper care of display.

#### **Points:**

- |                          |                           |
|--------------------------|---------------------------|
| a - Under 2 square feet: | Blue 20, Red 15, White 8  |
| b - Over 2 square feet:  | Blue 25, Red 20, White 15 |

### **Class 2: Vegetable**

### **Class 3: Fruit**

### **Class 4: Fresh Cut Floral**

### **Class 5: Forest Trees and Plants in Container**

### **Class 6: Plant Propagation/Tree Grafting**

All produce, flowers, forest trees and plants, and propagated plants/tree grafts exhibited for classes 2-6 must be grown by the Grange Youth. Immature melons, pumpkins, or winter squash are not acceptable for exhibit. Containers should be appropriate to the product for display.

**Points:** Blue 8, Red 6, White 4
