

Butler Amusements, Inc.

Cleanest Show in the West

If you are purchasing **Advance Sale Ride Credentials**, please read the following information:

- No casts, expectant mothers, nor intoxicated individuals allowed on rides.
- Each ride has posted height limit requirements. For individual riders on some rides, riders who might not meet height requirements may be able to ride with another rider. The requirements are posted at the entrance of each ride and on our Carnival ticket boxes.
- All riders must have either a ride wristband (if available) or carnival tickets. Rides require 3 or more tickets each.
- Infants are not allowed to ride carnival rides.
- Be aware that there are height requirements on each ride and in some cases other restrictions; specifically the seat molds and over the shoulder harnesses dictate who the ride can comfortably accommodate. An unlimited ride wristband may not be purchased for patrons who are less than 36" as they are not tall enough to enjoy and carnival rides alone.
- It is not the policy of Butler Amusements, Inc. to give refunds, however, advance sale credentials never expire and can be redeemed as long as Butler Amusements provides the carnival for the event.
- For questions, please call **707.429.4788** (Monday-Fri day, 9am-5pm.)
