A booth featuring the fun available through all levels of Scouting and providing registration information. The Boy Scouts of America provide programs for boys and girls starting in the kindergarten through age 21. Our program features Club Scouts, Scouts BSA, Venture Crews, Explorer Posts and Sea Scouts. We offer the premier outdoor leadership program in our area. Through Citizenship, Character development and personal fitness we make the leaders of tomorrow. We also provide fun and challenging experiences for adults of all ages.

Prepared. For Life.®
