Girl Scout Mission

To build girls of courage, confidence and character who make the world a better place.

Girl Scouts is the nation's premier organization serving all girls.

In an accepting and nurturing environment, and in partnership with committed adult volunteers, girls in **Girl Scouts - Columbia River Council** develop strong values, leadership skills, social conscience and conviction about their own potential and self-worth that will serve them all their lives.

Over the past decade our Council has initiated a number of special projects targeting our goal of serving every girl, everywhere, to encourage and welcome participation by girls with varying interests as well as girls of all ethnic and language minorities and girls with physical challenges.
